On this episode of Images, Fred Martino speaks with Dr. Pat Hynes, Director of the New Mexico Space Grant Consortium. They discuss the upcoming International Symposium for Personal and Commercial Spaceflight.

From the symposium [website](#):

You are cordially invited to attend the International Symposium for Personal and Commercial Spaceflight, to be held October 11-12 at the New Mexico Farm and Ranch Heritage Museum, Las Cruces, New Mexico.

ISPCS has set the industry standard for commercial space conferences. ISPCS offers an intimate setting that fosters unrivaled networking, an agenda rich in content, and it is the only conference focused on the commercial space industry. If the space industry, space exploration, military, civil or commercial spaceflight, or human space travel interest you, if you want to invest, learn about the latest trends or meet our leaders, ISPCS is the place to be for two days of intense interaction.
