## Ken Bowersox

---

**Will HLS bidders be required to show credible cost, or will NASA be willing to accept a deliberately below cost bid by a billionaire who doesn't need to make a profit?** 10 votes

No response available.

---

**When will you set a new firm launch date for Artemis-1?** 9 votes

No response available.

---

**2024 is bold, what changes are being made to NASA acquisition strategy and procurement methodologies.** 8 votes

No response available.

---

**Can commercial crew vehicles be ready in time to support the ISS before we lose Soyuz access? Are there talks about buying more Soyuz seats?** 8 votes

No response available.

---

**What are the commercial reasons to go to mars?..** 8 votes

No response available.

---

---

**Are space tourists considered crew or cargo?** 8 votes

No response available.

---

**With possibly two federal administration shifts between now and 2025, do you think funding will stay?** 7 votes

No response available.

---

**What key components in a space exploration vehicle do you believe should be standardized?** 7 votes

No response available.

---

**What is the status of hiring a permanent AA for HEO, and are you interested in the job?** 6 votes

No response available.

---

**..How prone to change are NASA's plans as a result of a changing executive administration?** 6 votes

No response available.

---

**Could you comment on the feasibility of a 2024 human landing? Especially in light of the complex system being used to get there.**

6 votes

No response available.

---

**Do you believe that members of Generation Z will be able to go to Mars in their lifetime?** 5 votes

No response available.

---

**Is the moon going to be used as a future base for training astronauts and as a foothold for traveling to Mars?** 5 votes

No response available.

---

**Any updates/comment on space force and what are the potential new opportunities?** 5 votes

No response available.

---

**Why is NASA trying do hard NOT to use SLS for launching elements of the HLS?** 4 votes

No response available.

---

**All NASA/CASIS solicitations currently state no paid international partners - will this soon change given SPD #1?** 4 votes

No response available.

---

**Traveling to Mars to increase the national morale seems very expensive. Will NASA push to open commercial business in Mars ?**

3 votes

No response available.

---

**How many "first" humans do you expect to stay on the moon in 2024+?**

3 votes

No response available.

---

**how long until I can have an old fashioned in orbit?** 3 votes

No response available.

---

**on the 2024 mission...where do you anticipate launching from?** 3 votes

No response available.

---

**Contrast a Shuttle landing with a Soyuz landing** 2 votes

No response available.

---

**How will the ORU philosophy need to change from ISS to Gateway?**

2 votes

No response available.

---

**Who will pay for the Mars Mission?** 2 votes

No response available.

---

**Will you consider commercial launch if SLS is not ready in time?**

1 votes

No response available.

**If you were the first astronaut to step onto Mars, what would you say?**

1 votes

No response available.

---

**Can we start building hospitals, engineering shops, etc. before sending men back to the moon?** 1 votes

No response available.
